

2022 Report to the Community

Hunterdon Health

Mission Statement

Embrace people, elevate care, and cultivate healthier communities.

Vision Statement

To be distinguished for clinical excellence and seamless, personalized care.

Values

Through our actions and behaviors all of us at Hunterdon Health promise to consistently and continually demonstrate our core values of being **Accountable, Adaptive, Authentic, Inclusive, Committed** and **Empowered** to support our mission and uphold the success of our organization.

Dear Friends,

It is our pleasure to provide you with the 2022 annual report for Hunterdon Health.

It was an exciting year as we kicked off our five-year strategic plan and launched a rebrand for the organization. Hunterdon Healthcare is now Hunterdon Health. Our new name focuses on cultivating healthier communities by inspiring a healthy way of living. At the same time, we updated our logo and introduced a new mission, vision, and core values throughout the organization.

In 2022, we achieved many accolades to improve quality, safety and our patient's experience such as receiving the "A" Hospital Safety Score[®] by The Leapfrog Group for patient safety. We also improved our HCAHPS scores and were above the 90th percentile for doctor communication, staff responsiveness and communication with a nurse. We continued to grow and meet the demands of our community by adding Hunterdon Advanced Imaging to the Clinton Health Campus. This imaging suite will offer patients the latest technology in medical imaging including: mammography, Dexa Scan, X-ray, CAT scan, Ultrasound, and MRI (3T). The Clinton Health Campus is a great example of the new model of health care delivery – offering the convenience of primary care, specialists, ambulatory services, and a wellness center – all in one location.

It is our promise to our community to continue to find new ways to provide the best care, prevent disease, improve our patient's experience, and keep people well. This report illustrates not only our clinical outcomes, accomplishments and financial highlights, but the impact we have made on our patients' lives.

To your good health,

Patrick J. Gavin

Hunterdon Health Celebrates 2022 Accomplishments

- In 2022, Hunterdon Health launched a five year strategic plan, rebranded from Hunterdon Healthcare to Hunterdon Health and introduced a new mission, vision and core values for the organization. The core values are: authentic, accountable, adaptive, inclusive, committed and empowered.
- In August 2022, Hunterdon Health unveiled a new website, hunterdonhealth.org. The new website was designed with the patient in mind. There you can find important information regarding our services, providers, careers and so much more!
- To improve our patient experience, we have been diligently working on our HCAHPS scores. Hunterdon Health was above the 90th percentile for doctor communication, staff responsiveness and communication with a nurse.
- Despite the COVID-19 pandemic beginning in 2020 and continuing throughout 2022, we achieved and sustained low hospital onset CDIFF cases, low SSI following colon procedures, and had zero CLABSI cases and zero MRSA cases, all of which were better than national and/or state benchmarks.
- Hunterdon Medical Center and the Hunterdon Medical Group offices were recognized for their Antimicrobial Stewardship practices. Hunterdon Medical Center also received the 2022 Gold Steward Award for the 2nd year in a row for their ongoing antimicrobial stewardship efforts. Hunterdon Health also received the 2022 Bronze Steward Award for their stewardship initiatives in the Outpatient Setting.
- Hunterdon Medical Group's primary care practices also received two American Heart Association outpatient program achievement awards in recognition of their commitment to reducing the risk of heart disease and stroke by improving Type 2 diabetes and blood pressure management. The awards recognize a commitment to following the latest evidence and science-based care guidelines.
- The American Heart Association recognized Hunterdon Medical Center's Mobile Intensive Care Unit (MICU) with the Mission: Lifeline® EMS Silver achievement award for its commitment to offering rapid, research-based care to people experiencing the most severe form of a heart attack, ultimately saving lives.
- On November 15th, Hunterdon Health employees, providers and local officials, gathered to mark the beginning of construction for Hunterdon Advanced Imaging at Clinton. The new imaging suite will offer patients the latest technology in medical imaging including: mammography, Dexa Scan, X-ray, CAT scan, Ultrasound and MRI (3T).
- Hunterdon Health once again received an "A" Hospital Safety Score® by The Leapfrog Group for patient safety.
- Hunterdon Health has received the "LGBTQ+ Healthcare Equality Leader" designation from the Human Rights Campaign Foundation (HRC). In its 15th year, the Healthcare Equality Index (HEI) is the national LGBTQ+ benchmarking tool that evaluates healthcare facilities' policies and practices related to the equity and inclusion of their LGBTQ+ patients, visitors and employees.
- Hunterdon Health is proud to be certified™ by Great Place to Work® for the 2nd year in a row. This significant recognition is based entirely on what employees say about their experience working for Hunterdon Health.
