A Community Comes Together

# Our Mission

Hunterdon Healthcare Foundation, the fundraising organization for the Hunterdon Healthcare System, seeks gifts and grants from individuals, corporations, foundations and other sources to assist the Hunterdon Medical Center and its affiliated non-profit organizations, such as Hunterdon Regional Community Health and Hunterdon Hospice, in fulfilling their mission to meet the community's need for high quality healthcare.

LETTER FROM  
**OUR PRESIDENT**

***Patrick J. Gavin, MPH, MBA***

Dear Friends,

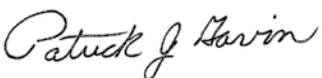

On behalf of the Hunterdon Healthcare System Board of Trustees, our employees, and the patients we serve, thank you for your continued generosity throughout 2020!

As your neighbors, friends, and family, we take a lot of pride in our ability to provide exceptional, compassionate, high quality care to every member of our community and beyond. For 68 years, we have made the care of the community our top priority. However, in 2020, while our staff was battling the COVID-19 pandemic on the front lines, our community graciously made the care and well-being of our providers and caregivers their priority. This was demonstrated daily by countless messages of support, an abundance of donated meals, and generous gifts that were not only appreciated, but also provided us with the tools to meet the challenge head on.

Over the last year, we have completed more than 50,000 COVID-19 tests in our inpatient and outpatient settings. Our amazing care team safely discharged nearly 1,000 COVID patients back to their homes and loved ones. This serves as a testament to the quality of care provided by our clinical experts and their commitment to ensure the utmost in safety for our patients and staff. Thanks to the data-driven safety measures and protocols implemented and carefully managed, we are able to continue to thrive, operate at full-capacity, while rendering nationally-recognized care.

The years ahead will continue to bring new and exciting opportunities to Hunterdon Healthcare including planned expansions to our Emergency Department, operating suites, Briteside Adult Day Center, and our Phillips-Barber campus. Additionally, a new five-year strategic plan will soon be completed, which will clearly outline our vision for the continued growth of the organization. With your ongoing support, we are guaranteed to exceed our goals and carry on our mission for future generations.

Again, our sincere appreciation and thanks for your support.

**Patrick J. Gavin**  
President & Chief Executive Officer  
Hunterdon Healthcare System

*Thanks to the data-driven safety measures and protocols implemented and carefully managed, we are able to continue to thrive, operate at full-capacity, while rendering nationally-recognized care.*

## LETTER FROM OUR CHAIR

*Candice A. Teuber, Pharm.D.*

# A Community Comes Together

Never has it been more evident than in 2020. In one of our community's greatest times of need, we came together to support one another and the caregivers on the front line of the COVID-19 pandemic. Whether it was a meal, a donation of personal protective equipment (PPE), a message of hope, or a contribution to the Foundation, Hunterdon Healthcare's team of more than 2,000 healthcare workers felt your appreciation and gratitude.

On behalf of the Hunterdon Healthcare Foundation's Board of Trustees and the Foundation staff, I want to thank you for your generosity in 2020. The following pages contain the names of 4,961 individuals, community organizations, foundations, and corporations who made a gift in support of Hunterdon Healthcare in 2020—almost doubling the number of donors year-over-year. Their support represents **more than \$5.5 million in donations**—one of the best fundraising years in the Foundation's history—in support of the programs, services, capital improvements, and staff at Hunterdon Healthcare.

In March and April 2020, the Foundation staff was re-deployed to support the COVID response. They helped organize more than 16,000 meals donated to the Medical Center by our community ensuring that every employee felt recognized. And, they responded to peers, community organizations, schools, and local businesses to secure PPE, ensuring that every employee was safe.

Despite the pandemic's many challenges to fundraising, the community, like it has done for so many years, continued to support Hunterdon Healthcare. In all, we received more than 7,000 individual donations of which 474 were gifts in kind and, 2,686 donors gave to the Foundation in 2020 for the very first time—a record! In early 2020, the Foundation received its largest gift of the year, more than \$2.5 million from the estate of Mildred Cansdale.

One highlight of 2020 was the Hunterdon Strong Telethon which occurred on November 19th. The brain child of Hunterdon Healthcare Foundation, the event brought 11 nonprofits and the County's first responders together to raise money for each of their philanthropic initiatives. Our hosts, local business owner D. J. Wright

*Despite the pandemic's many challenges to fundraising, the community, like it has done for so many years, continued to support Hunterdon Healthcare.*

and homegrown Broadway actress Kate Cherichello, introduced us to each organization and shared stories of nonprofits working together for the health of our community. The event, sponsored by ShopRite of Hunterdon County and many others, raised more than \$800,000 for these local charities.

We also recognize the efforts of the Hunterdon Healthcare Auxiliary which held their virtual events *A Culinary Affair... Goes Virtual* and the *Lights of Love* ceremony. These events, usually well attended in person, were a big success online raising more than \$50,000 for the Foundation. Their success is in large part due to the tireless efforts of their volunteers. We are especially thankful to the Auxiliary's former President, Joyce Hervey, whose term ended in January 2021 after four great years at the helm.

The programs, services and projects that these gifts support are vital to the continued success of our health system. In 2020, the impact of your support was felt broadly. A few examples include:

- Expanding the Emergency Department to ensure more private beds for every patient and to address the needs of specialized cases.
- Providing transportation for patients to attend medical visits who otherwise would not be able to attend them.
- Offering PPE to our frontline caregivers so that they can care for our COVID-19 patients without the fear of being infected.
- Providing needed medical procedures for patients who could not afford them were it not for our support.
- Donating fresh produce to patients in need through “produce prescriptions” to provide for a healthier lifestyle and better health outcomes.
- Educating nurses and staff in programs and services to better serve their patients.

Hunterdon Healthcare Foundation is a vibrant part of Hunterdon Healthcare System and the larger Hunterdon community. Our work continues in 2021 and I look forward to sharing many highlights with you in the future. In the meantime, thank you again for your continued generosity.
